# CONFERENCE PROGRAM

**From the President of the Conference,**

Greetings to all participants,

It is a great pleasure for me to welcome you to the AELTE 2023 Conference, organized for the first in collaboration with Ankara Hacı Bayram Veli University and U.S. Embassy.

With this conference AELTE Türkiye aims to provide a platform that will bring together theory and practice in diverse fields of foreign language study. AELTE 2023 Conference is organized to provide a high-quality academic platform for the communities of EFL, ESL, ELT, linguistics, literature, and translation and the related fields to promote connections between theory and practice, and explore different perspectives on the implementation of research findings into different settings.

We hope that this conference will create a friendly occasion for all to share perspectives and research findings from a wide variety of educational contexts. We also dearly value possible friendships and partnerships made and insights gained at the conference and hope they will go beyond your participation in the conference, leading to better understanding and appreciation of our profession from an international stance.

On behalf of the Organization Committee, I wish you an enjoyable stay in Ankara, Türkiye.

With very best wishes,

Prof. Dr. Arif SARIÇOBAN  
President of AELTE 2023
